

Citizens for Sustainability

Parks & Environmental Commission Update
December 5, 2022

Citizens working to create a resilient and sustainable community

Our Request for Climate Action in 2023 Goals

1. Pass a Climate Emergency resolution
2. Create Energy and Climate Action Plans
3. Expand the solar installation on Central Park pavilion rooftop
4. Install a public charging station in a public space
5. Initiate outreach to promote energy and water reduction

Cities with Climate Emergency Resolutions

Metro

- Bloomington
- Columbia Heights
- Eden Prairie
- Edina
- Golden Valley
- Lauderdale
- Maplewood
- Robbinsdale
- St. Louis Park
- St. Paul

Out State

- Duluth
- Grand Marais
- Grand Rapids
- Moorhead
- Northfield
- Red Wing
- Rochester
