

The slide features a white header and footer area. The header contains a blue and white cloud image. The main content area has a green background. It includes the text 'Citizens for Sustainability', 'Parks & Environmental Commission Update', and the date 'March 10, 2025'. The footer contains a recycling logo with 'CFS' and the text 'Citizens working to create a resilient and sustainable community'. There are also images of a small green seedling and blue water.

Citizens for Sustainability

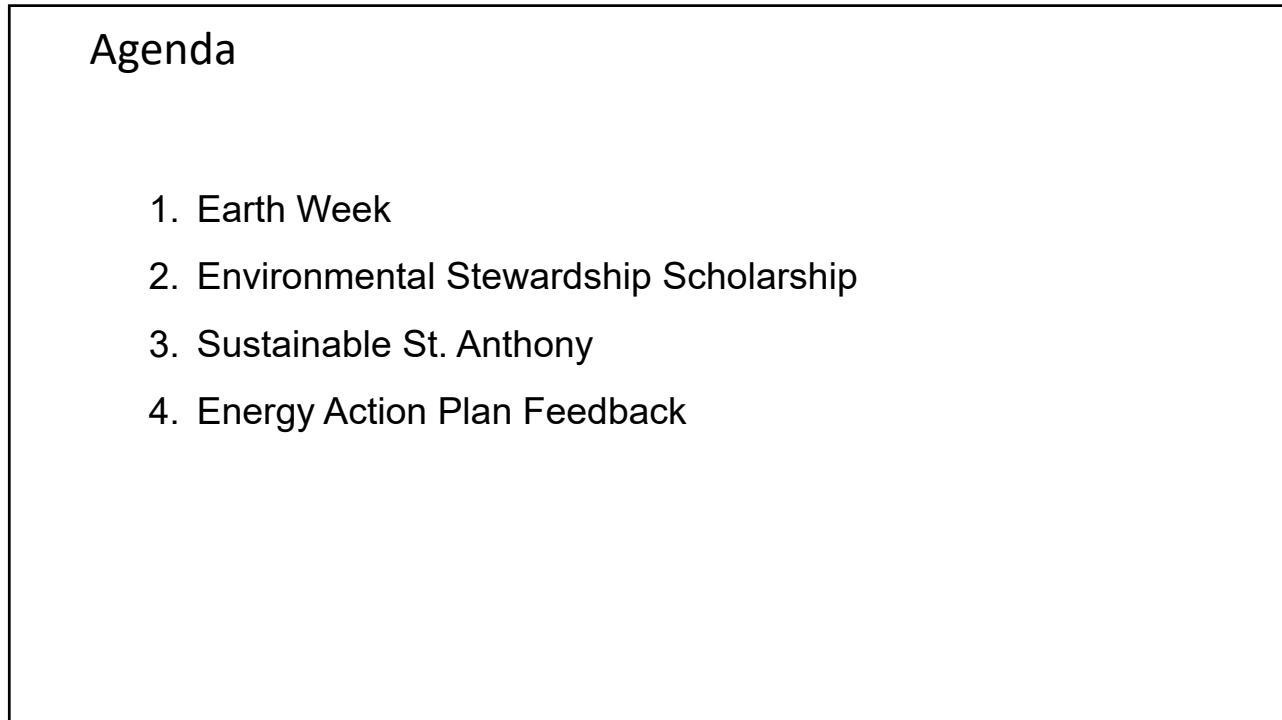

Parks & Environmental Commission Update

March 10, 2025

 *Citizens working to create a resilient and sustainable community*

1

The slide has a white background. It features a title 'Agenda' and a numbered list of four items: '1. Earth Week', '2. Environmental Stewardship Scholarship', '3. Sustainable St. Anthony', and '4. Energy Action Plan Feedback'.

<ul style="list-style-type: none"> • Fixit Clinic • Student driven event • Clothing Swap • Waste reduction 	<ul style="list-style-type: none"> • Solar Power Showcase • Composting Workshop • Plant a Tree • Bike to School Day
------------------------------------------------------------------------------------------------------------------------------------------------------	---------------------------------------------------------------------------------------------------------------------------------------------------------------

4

Join us in rewarding student commitment

2025 Environmental Stewardship Scholarships

*In recognition of their commitment to environmental stewardship and
to honor their energy and passion to make a difference*

5

Sustainable St. Anthony

- Centralize SAV stories about what people do to make a difference (articles, videos, blogs)
- Partnership with CFS, PEC, Minette
- Ask students for help collecting and producing stories (Media team, AP Computer Science, Green Team, NHS)

Critical Success Factors

- Capture collective energy
- Easy process / production
- Simple stories
- Tech plugin
- Broad reach (newsletters and social media)
- Calendar of events
