

Silver Lake Road Flood Reduction Project Project and Appurtenant Work Construction Update #2

Current Events

The contract for the Silver Lake Road Flood Reduction Project was awarded to Lametti & Sons, Inc. Underground, Inc. on April 9, 2019.

Future Events

The 2019 Construction Season is about to begin!

The project contractor is anticipated to begin work the week of May 6th, 2019. The project is proposed to be completed in the following 4 phases:

- Phase 1: Silver Lake Road approximately 640 feet north of Silver Lane (full roadway width)
- Phase 2: Silver Lake Road northbound lane north of Silver Lane
- Phase 3: Silver Lake Road northbound Lane at Silver Lane
- Phase 4: Silver Lake Road northbound lane south of Silver Lane

The first items will be setting up traffic control signs and detour signage. Silver Lake Road will be closed to through traffic in both directions between Silver Lane and County Road E. Access to local businesses and residential areas will be maintained during construction. Northbound traffic will be detoured east along County Road D to Old Highway 8 to County Road E. Southbound traffic will be detoured east along County Road E to Old Highway 8 to County Road D. The posted detour route is identified on the project website front page:

<http://www.savmn.com/419/2019-Street-Utility-Project-Silver-Lake->

Metro Transit bus route #25 and #825 will be detoured during construction. Bus stop relocations have been posted by Metro Transit at the individual bus stops along Silver Lake Road between County Road D and County Road E.

Tips of the Week

- Please observe posted detour and warning signs.
- Slow down and watch for uneven surfaces.
- Stay alert! Watch for signs, equipment, and workers
- Please remind children to stay away from the construction site, equipment, and stockpiles of materials.
- Access through the site may change throughout the day as construction progresses; your patience is appreciated.
