- > Please observe posted detour and warning signs.
- > Please do not park vehicles on streets under construction.
- > Slow down and watch for uneven surfaces.
- > Stay alert! Watch for signs, equipment, and workers.
- > Please remind children to stay away from the construction site, equipment, and stockpiles of materials.
- > Access through the site may change throughout the day as construction progresses.

## The 2021 Construction Season is about to begin! Proposed Work

This newsletter is intended to provide you with information on the upcoming work that will be occurring adjacent to your property.

The City of St. Anthony Village will be completing maintenance and pavement resurfacing improvements along the following roadways:

- 31<sup>st</sup> Avenue from Rankin Road to Old Highway 8
- Croft Drive from Rankin Road to 31<sup>st</sup> Avenue
- 29<sup>th</sup> Avenue from Stinson Boulevard to Silver Lake Road
- St. Anthony Boulevard from Stinson Boulevard to Kenzie Terrace

Improvements include replacing the existing pedestrian crossings to meet current ADA standards, spot curb and gutter replacement, replacement of existing sanitary sewer manhole castings, and road resurfacing. A detailed schedule of the proposed improvements will be mailed in the upcoming weeks prior to the start of construction.

In anticipation of this project, CenterPoint Energy will be replacing their existing facilities along St. Anthony Boulevard in June 2021. Notification will be made to properties adjacent to the gas main (doorhangers) in preparation for their work.

## Project Location

## Thank you for your patience

The project team will do its best to complete the project in a timely fashion and minimize disturbances to your property. Please be patient and if you have questions, call us!

It will be the project team’s goal to minimize the impact to residents and businesses during construction activities. As with all construction projects, patience and communication are the greatest assets to completing a successful project. Therefore, we request your patience in dealing with construction issues and invite you to contact us with your questions, comments, and concerns as they arise throughout the project.
