Call to Order:

Mayor Stille called the Work Session to order at 5:45 p.m.

Council Onbaoding:

City Manager Yunker reviewed the cover memo and described the work staff has completed on updates and enhancements to the City Council onboarding information. Council felt the additional slides to the existing PowerPoint covered the items Council asked for at the previous work session on this topic, and approved adding information on the City's annual plans and reports.

The Council discussed extensively the proposed core value statements provided in the packet. Various verbiage changes were proposed and discussed and left to staff to propose final wording. The Council also discussed headers for each statement and the discussed ended with identifying single-word headings, which staff will work to identify based on the discussion and proposed headings.

Next, staff will rework the PowerPoint slides into a manual format for better readability, and exercise will be planned in the coming months for crisis communications, legal areas, and race and equity in policy-making.

Future Work Sessions:

Next Work Sessions will be held on June 14th, 2022, at 5:45pm in the Council Chambers.

Adjournment:

The meeting adjourned at 6:36 p.m.

Respectfully submitted by Charlie Yunker, City Manager.
