FOR A FINANCIAL INSTITUTION WITH DRIVE-THROUGH IN THE
SILVER LAKE PUD ZONING DISTRICT**

WHEREAS, the City of St. Anthony Village received a request from Sterling Organization on behalf of Chase Bank for financial institution with drive through at 3800 Silver Lake Road; and

WHEREAS, the property consists of approximately 1.2 acres and is located in the Silver Lake PUD district; and

WHEREAS, the subject parcel is currently vacant, with an independent parking lot, but no principal building; and

WHEREAS, Drive-through facilities are allowed by Conditional Use Permit in the Commercial areas of the City; and

WHEREAS, consideration of a conditional use permit in such areas is required to avoid unreasonable negative impacts on adjoining commercial property; and

WHEREAS, the conditions identified as a part of an approval for the proposed Conditional Use Permit are necessary to ensure full compliance with the St. Anthony Village zoning ordinance; and

WHEREAS, the Planning Commission has considered all of the comments and the staff report, which are incorporated by reference into the resolution; and

WHEREAS, the Planning Commission held a public hearing on September 20, 2022 on the application and the applicant and members of the public were provided the opportunity to present information to the Planning Commission; and

WHEREAS, the Planning Commission recommended approval of the Conditional Use Permit with the conditions noted in the Staff report, and as listed below; and

WHEREAS, the City Council makes the following findings of fact in support of the resolution for approval:

1. The property is located in an area of commercial land use on a major collector roadway.
2. The proposed use is identified as an allowed Conditional Use in the Commercial zoning district which is the appropriate land use designation in this PUD District.
3. The additional impacts of the proposed use are in need of mitigation as a requirement to meet the standards of the zoning ordinance, including compatibility with other uses in the neighborhood.
4. With the clarifications identified as conditions recommended by the Planning Commission, the proposed improvements constitute a reasonable use of the property.

5. The proposed uses, constructed and operated within the requirements of the Code and the conditions of this resolution, will not impact surrounding property or public areas beyond the expected impacts of permitted, compliant uses in the commercial zoning district, nor negatively impact health, safety, or welfare of the community.
6. With the proposed conditions, the City Council finds that there is no evidence to believe that the use will have a detrimental effect on neighboring uses or property values.

NOW THEREFORE MAY IT BE RESOVLED, that the City Council of the City of St. Anthony Village accepts the findings and recommendations documented in the staff report and approves Conditional Use Permit for a financial facility drive-through as shown on the plans submitted on or before August 18, 2022, at 3800 Silver Lake Road, in accordance with the following conditions:
