Re: Resolution Accepting and Approving the Grant Agreement for  
MCES 2020 I/I Grant Program  
City of St. Anthony Village, MN

Dear Honorable Mayor, City Council, and Staff:

Attached for your consideration is a resolution authorizing the application for grant monies from the Metropolitan Council of Environmental Services (MCES) I/I Municipal Grant Program.

This program allows municipalities that have been identified as having excessive inflow and infiltration to receive assistance with capital improvements completed between January 1, 2021 to December 31, 2022, that reduce the amount of inflow and infiltration.

The MCES has indicated that the sanitary sewer improvements associated with the City of St. Anthony's 2021 and 2022 Street and Utility Improvement Program qualify as capital improvements eligible under the I/I Municipal Grant Program.

Katie Koscielak will be available to answer your questions at your March 14, 2023 Council meeting, or you may contact me at 612.388.9652

Sincerely,  
WSB

Justin Messner, PE  
City Engineer
