11
12 Mr. Yunker reviewed at its regular meeting on July 14, 2020 the City Council made changes to
13 the City holiday calendar to discontinue recognizing Good Friday and Columbus Day as City
14 holidays, and to recognize Juneteeth as a City holiday. The remaining holiday is provided to staff
15 as a floating paid holiday.

16
17 The City Council has wishes to begin recognizing Indigenous Peoples Day as an official City
18 holiday. Beginning in 2022, in place of the floating holiday, staff will be provided a paid holiday
19 on the second Monday in October and City Hall will be closed in recognition of Indigenous
20 Peoples Day. These dates have been discussed with the Unions and will be included in the Union
21 Contracts.

28 B. Resolution 21-075 – Restricting Parking on Rankin Road for the 2022 Street and Utility
29 Improvements

30
31 City Engineer Justin Messner reviewed this resolution approves restricting parking along
32 portions of Rankin Road. Parking will be restricted on the west side from 33rd Avenue NE to 31st
33 Avenue NE. Prior to this project parking has been prohibited on the west side of Rankin Road
34 from 33rd Avenue to just south of 32nd Avenue. To satisfy MnDOT State Aid requirements a
35 formal resolution prohibiting parking must be recorded.

36
37 Councilmember Randle asked if the residents will get plenty of advanced notice on this and Mr.
38 Messner stated there will be public meetings to review and residents will be informed.

39
40 Councilmember Jenson asked why there is no parking on the west side of the street and Mr.
41 Messner stated the parking was a nuisance from people parking on neighboring streets for the
42 school.

43
44 Mayor Stille asked if this doesn't work in 2-3 years from now, changes can be made and Mr.
45 Messner stated it could be changed although the City would need to adhere to MnDOT State Aid
46 requirements. A different street within the City could be identified as a State Aid Road.

1
2 Motion by Councilmember Webster, seconded by Councilmember Jenson, to approve Resolution
3 21-075 – Restricting Parking on Rankin Road for the 2022 Street and Utility Improvements.

4
5 **Motion carried 5-0.**

6
7 C. Resolution 21-076 – Accepting Plans and Specifications and Ordering Advertisement for
8 Bids for the Water Tower No. 1 Rehabilitation.

9
10 City Engineer Justin Messner reviewed this resolution approves the plans and specifications and
11 authorizes the advertisement for bids for the Water Tower No. 1 Rehabilitation Project. Staff
12 anticipates opening bids on or near November 11, 2021. Bids will be reviewed for accuracy and
13 brought back to City Council to award the project.

14
15 Mr. Messner stated repainting of the water tower will be necessary and the plan is to ask the
16 residents which of four different renderings should be used for the water tower.

17
18 Councilmember Walker asked who will design the four renderings and Mr. Messner stated the
19 rendering group at WSB will prepare the renderings. There is no additional cost of repainting
20 with a new design.
