Planning

In order for the Mayor and Council members to have a better understanding of your background and interests, please provide the following information.

Why do you want to serve on a St. Anthony Village Commission?*

I am just finishing up my first two year term on the Planning Commission and wish to continue to serve our community.

Please list your prior experience serving on a Board, Commission, etc.*

During my first two years on the commission I have tried to lend my knowledge in working with regulations in the revising of various ordinances, working with the commission and staff to hopefully bring more guidance and clarity to those needing to work with the ordinances. With respect to building projects and requests for variances, with my votes and comments, I have tried to balance the goal of bettering our community with individual property owner's rights.
