Planning

In order for the Mayor and Council members to have a better understanding of your background and interests, please provide the following information.

Why do you want to serve on a St. Anthony Village Commission?*

I grew up coming to St. Anthony to visit my grandparents, Jerry and Pat Kelly. All of my aunts, uncles, and some of my extended family grew up in St. Anthony as my grandpa owned and operated Jerry's Toys and Hobbies in the village shopping center. My mother was a single parent and my grandparents watched my sister and I very often. As a result, I grew up feeling as though St. Anthony was a second home to me. Flash forward to my adult years when my husband and I started looking for our "forever home" - St. Anthony Village was an obvious choice. We have lived here for a little over a decade and I have enjoyed getting to know the community better through my service as the Treasurer of the St. Anthony Chamber of Commerce. I am hoping to expand my service to the community through the Planning Commission. I thoroughly enjoy our community and want it to be better for generations to come. I believe serving on the Planning Commission will allow me to have a voice in the future of St. Anthony Village.

Please list your prior experience serving on a Board, Commission, etc.*

I have been a member, as well as the treasurer, of the St. Anthony Chamber of Commerce since 2015. I am also a member of the Finance Committee for Climate Generation which is a Minnesota-based non-profit that specializes in educating individuals about climate change. Both have been very rewarding experiences!
