In order for the Mayor and Council members to have a better understanding of your background and interests, please provide the following information.

Why do you want to serve on a St. Anthony Village Commission?*

I love the city we live in. I have the view that we all should do the work to make our home the best it can be.

Please list your prior experience serving on a Board, Commission, etc.*

I have no board or commission experience other than event planning committee for Twin Cities Orthopedic. I work well with others and totally respect all viewpoints.
