Parks & Environmental

In order for the Mayor and Council members to have a better understanding of your background and interests, please provide the following information.

Why do you want to serve on a St. Anthony Village Commission?\*

I recently just moved, with my family, to St. Anthony Village from Northeast Minneapolis. Our family looks forward to growing edible gardens in our "new" backyard, deploying our rain barrels to capture runoff and begin researching the possibility of egg laying hens. My children, now high schoolers, have been in the SAV school district since kindergarten.

It is important for me to be involved in the community I live in, meet my neighbors and invest in the future of the Village with best practices relating to public spaces and environmental policy/resources. I have a willingness to serve and a desire to contribute.

Please list your prior experience serving on a Board, Commission, etc.\*

Windom Park Citizens in Action (WPCiA) - Served on several community committees
