

Project Update

The Contractor has continued to build the new road section between 37th Pl and Silver Ln this week. They anticipate finishing construction of the roadway up to and including the aggregate base by the middle of next week, with concrete curb and gutter installation by the end of next week, **weather permitting**.

Paving of the roadway is tentatively scheduled to be completed in mid-July. Following paving, Stinson Blvd north of 37th Place will be closed between 37th Ave and 37th Place, to allow for tunneling new watermain beneath the railroad.

If you have any questions or concerns, please don't hesitate to contact the project manager, Justin Messner, at (612)388-9652.
