

## 2017 Street and Utility Improvement Project and Appurtenant Work Construction Update #5

### Current Events

CenterPoint has begun relocating the gas main along Maplewood Drive this week and will continue next week throughout the entire project.

Tree removal will begin Friday, April 7<sup>th</sup> and continue into the week of April 10<sup>th</sup>. Trees will be removed throughout the entire project area.

The Contractor has “potholed” existing utilities on Maplewood Drive and Skycroft Drive to verify location and elevation.

### Future Events

#### *Week of April 10<sup>th</sup>*

The Contractor will start pavement removals along Maplewood Drive beginning within the cul-de-sacs. **If you live in the cul-de-sacs please have your vehicle out by 7:00 AM on April 10<sup>th</sup>.** This is for your safety and protection of your vehicles.

Temporary water installation will begin on April 10<sup>th</sup>. The Contractor will coordinate the transfer to temporary water with each resident.

#### *Week of April 17<sup>th</sup>*

The Contractor will begin removal and replacement of sanitary sewer and water main along Maplewood Drive, starting at Highcrest Road and continuing west. This will cause a road closure at this intersection with a posted detour. The closure will begin at **9 AM on April 17<sup>th</sup>**, weather permitting.

### Tips of the Week

- Stay aware of construction operations, vehicles, and equipment.
- Avoid parking on roads under construction.
- In poor weather conditions, avoid driving on roads under construction, if possible.
- Keep a safe distance from construction equipment, even when parked.
- Follow construction signage and posted detours.
