

## 2017 37<sup>th</sup> Avenue Sidewalk & Signal Project Construction Update #15

### Current Events

Concrete installation along the south side of 37<sup>th</sup> Avenue has been completed.

The paving sub-contractor has completed bituminous patching at Highcrest Road and Silver Lake Road.

It is anticipated that the sodding sub-contractor will be on-site Friday, September 1<sup>st</sup> to install sod.

### Future Events

*Week of September 4<sup>th</sup> (Weather Permitting)*

**The Contractor will not be working Monday, September 4<sup>th</sup> (Labor Day).**

It is anticipated the Contractor will be on-site during the week to finalize grading around the recently placed concrete pavement.

### Tips of the Week

- Please avoid disturbing newly placed sod.
- Please stay clear of all concrete as it is curing so as not to disturb or damage it.
- Please stay aware of changing traffic control. Obey all speed limits, traffic control signs, and lane shifts. This is for your safety, as well as that of the construction workers.
