

## 2017 37<sup>th</sup> Avenue Sidewalk & Signal Project Construction Update #20

### Current Events

The Contractor has completed removal of pavements throughout the project corridor. Therefore, all traffic control has been reinstalled for your safety around these areas. These intersections include 37<sup>th</sup> Avenue & Highcrest Road (north side), Silver Lake Road & 37<sup>th</sup> Avenue (north side), Silver Lake Road & 39<sup>th</sup> Avenue, and Silver Lake Road & Silver Lane.

### Future Events

*Week of October 9<sup>th</sup> (Weather Permitting)*

The signal sub-contractor will be onsite beginning Monday to continue improvements to signals and pedestrian push buttons.

Following progress of signal improvements, the Contractor will be return to begin preparation for pavement reinstallation.

### Tips of the Week

- With traffic control reinstalled, please allow extra time for travel throughout the construction area; we appreciate your patience.
- Please be safe when traveling along 37<sup>th</sup> Avenue and Silver Lake Road. The traffic control is in place for safety of the Contractor as well as protection of you and your vehicle.
