

2018 Street and Utility Improvement Project and Appurtenant Work Construction Update #1

Current Events

The contract for construction for the 2018 Street and Utility Improvement Project and Appurtenant Work was awarded to Kuechle Underground, Inc. on March 26, 2018.

Future Events

The 2018 Construction Season is about to begin!

The project contractor is anticipated to begin work the week of May 29th, 2018 (after Memorial Day). The first items will be setting up traffic control signs, tree removals, and installing the temporary water system. In addition, Center Point Energy has begun replacing existing gas main throughout the project corridor in preparation for the project.

The above schedule is tentative and is subject to change due to weather or scheduling conflicts.

A preconstruction meeting with the Contractor was held the week of April 30th to discuss the anticipated proposed schedule and project phasing. Notification has been mailed to residents regarding construction and the project schedule.

Tips of the Week

- Please observe posted detour and warning signs.
- Please do not park vehicles on streets under construction.
- Slow down and watch for uneven surfaces.
- Stay alert! Watch for signs, equipment, and workers
- Please remind children to stay away from the construction site, equipment, and stockpiles of materials.
- Access through the site may change throughout the day as construction progresses; your patience is appreciated.
