

2018 Street and Utility Improvement Project and Appurtenant Work Construction Update #28 – 5/31/2019

Current Events

The Contractor has begun removal of the temporary driveways along Foss Road in preparation for replacement.

Future Events

The Contractor will continue completing various warranty items, including driveway repairs and replacement of deficient concrete curb along Macalaster Drive, Foss Road, and Highcrest Road the week of June 3rd. Concrete driveway installation is anticipated to be completed on Tuesday, June 4th, ***weather permitting***.

Macalaster Drive / Highcrest Road: The Contractor will begin grading and restoration of the boulevard the week of June 3rd.

Foss Road: The Contractor will continue grading and preparation for the sidewalk the week of June 3rd with concrete sidewalk and driveway apron installation to follow.

Final paving along Macalaster Drive, Foss Road, and Highcrest Road is anticipated to be completed in the upcoming weeks.

The above schedule is tentative and is subject to change due to weather or scheduling conflicts.

Tips of the Week

- Please be patient with the Contractor as the remaining work behind the curb is being completed. The trucks necessary for hauling material may cause delays on the roadway.
- Please observe posted detour and warning signs.
- Please do not park vehicles on streets under construction.
- Slow down and watch for uneven surfaces.
- Stay alert! Watch for signs, equipment, and workers
- As grading operations continue please keep a safe distance from stockpiles and equipment, watch for workers as you drive through the site, and obey all traffic control.
- Please remind children to stay away from the construction site, equipment, and stockpiles of materials.
- Access through the site may change throughout the day as construction progresses; your patience is appreciated.
