

2016 Street and Utility Improvement Project

Project Update

This week the Contractor completed turf restoration along the boulevard in Columbia Heights and painted lane striping and pavement markings. Temporary mulch has been sprayed on exposed soils along the boulevard in St. Anthony and final turf restoration will be completed following completion of the concrete sidewalk project. Throughout the coming weeks the Contractor will be on-site periodically to complete miscellaneous punch list items.

If you have any questions or concerns, please don't hesitate to contact the project manager, Justin Messner, at (612)388-9652.
