After additional discussion with City staff, the mill and overlay improvements along 29th Avenue NE and St. Anthony Boulevard will be completed in 2021 (originally identified for 2022) and will be bid with the 2021 Street and Utility Improvement Project. Prior to completing design, the City would like to provide residents an opportunity to give input and ask questions regarding the project as well as learn more about the proposed assessments.

The formal notice for the property assessments and the public hearing will be sent to you under a separate letter. We will be happy to answer any of your questions regarding this year's proposed mill and overlay projects on January 6, 2021.

If you are unable to attend but have any questions, please call me at 651.286.8465.
