

HOW TO USE THIS GUIDE:

St. Anthony city codes are designed to prevent offensive or harmful conditions and activities for St. Anthony Village residents and business owners. It is the resident's responsibility to adhere to the code. This document provides the primary requirements and expectations.

City Code Section 91 contains sections specific to the keeping of animals, declarations of nuisances created by animals, and feeding of wild animals.

Required identification and proof of vaccination

Owning 3 or more dogs requires multiple dog license

Feeding wild animals is prohibited
