

2016 Street and Utility Improvement Project

Stinson Boulevard

Construction Education and Safety Meeting

Please join us for a public education meeting to discuss and share information regarding street and utility construction on **May 19, 2016 at 3:00pm** located in the parking lot of the "The Unofficial" (see attached flyer).

Email Notifications

Sign up to receive weekly email updates and notification regarding the Stinson Blvd Improvements project by visiting the 2016 Street & Utility Improvement Project webpage located under "Community Projects" on the City's website at <http://www.ci.saint-anthony.mn.us/>

Thank you for your continued patience

As we continue the street and utility reconstruction, please be aware that construction activities are noisy, dusty, and very inconvenient. The project team will do their best to complete the project in a timely fashion and to minimize the disturbances to you and your property. Please be patient and if you have questions do not hesitate, call us!

Questions?

If you have any questions or concerns, Justin Moeller is the quickest way to receive answers to your questions. If Justin Moeller is unavailable, please call Justin Messner at the number provided below.

Changes to Construction Schedule

Please be aware the construction schedule may change throughout the project as a result of weather conditions or other activities beyond the contractor's control. Should a major change in the schedule be anticipated, we will do our best to communicate the change through this newsletter and through your field contact, Justin Moeller.

Additional Information and Tips:

- Please observe posted detour and warning signs.
- Please do not park vehicles on streets under construction.
- Slow down and watch for uneven surfaces.
- Stay alert! Watch for signs, equipment, and workers.
- Please remind children to stay away from the construction site, equipment, and stockpiles of materials.
- Access through the site may change throughout the day as construction progresses, your patience is appreciated.

May 3, 2016

Project Schedule Update

The Contractor has completed all temporary water transfers to businesses and residents along Stinson Blvd. and is continuing sanitary sewer and water main installation along Stinson Boulevard between Silver Ln and 39th Avenue. The contractor's top priority is to complete all utility installations at the intersection of Stinson Blvd and Silver Ln to open the intersection to traffic.

CenterPoint Energy has completed the replacement of gas main between Silver Ln and 38th Ave. CenterPoint Energy is anticipated to begin directionally drilling new steel gas main from the south side of 37th Ave to 38th Ave on Tuesday, May 3.

The following is an anticipated schedule of upcoming construction activities:

May 2—May 6

- Continue replacing sanitary sewer, water main, and storm sewer at the intersection of Stinson Blvd and Silver Ln. and continuing south.
- Remove and replace deficient sidewalk within Salo Park.

May 9-May 13

- Sanitary and water service installation between 39th Ave and Silver Ln.
- Begin sanitary sewer, water main, and storm sewer south of 39th Ave.
- Begin building road section between Silver Ln and 39th Ave (including drain tile and class 5 installation).

May 16—May 20

- Continue sanitary sewer, water main, and storm sewer south of 39th Ave including sanitary and water service installation.
