It is anticipated that construction will commence on the project in late spring/early summer of 2024. Prior to completing design, the City would like to give residents an opportunity to provide input and ask questions regarding the project as well as learn more about the proposed assessments.

The formal notice for the property assessments and the public hearing will be sent to you under a separate letter in February/March of 2024.

If you are unable to attend but have any questions, please call me at 612-388-9652.
