Re: 2016 Street and Utility Improvement Project  
Public Informational Meeting  
City of St. Anthony, MN  
WSB Project No. 2170-130

Dear Resident/Owner:

The City of St. Anthony invites you to attend a public informational meeting to discuss the proposed 2016 Street and Utility Improvement Project. This meeting will be held at St. Anthony City Hall on Wednesday, February 17, 2016 at 7:00 p.m., in the Council Chambers.

Bids were received for the project on January 27, 2016 and it is anticipated that construction will commence on the project in late-April or early-May, 2016. Prior to beginning construction, the City would like to provide residents and business owners with an opportunity to ask questions regarding the construction as well as the proposed assessments.

The formal notice for the property assessments and the public hearing will be sent to you under a separate letter. We will be happy to answer any of your questions regarding this year's proposed street reconstruction project on February 17, 2016.

If you are unable to attend but have any questions, please call me at 763-287-7182.

Sincerely,

**WSB & Associates, Inc.**

A handwritten signature in black ink that reads "Todd Hubmer". The signature is fluid and cursive, with "Todd" on the top line and "Hubmer" on the bottom line.

Todd E. Hubmer, PE  
City Engineer
