

REQUEST FOR COUNCIL CONSIDERATION

Meeting Date: April 12, 2016

Resolution-Imposing Water Restrictions

OVERVIEW:

In front of you this evening is a resolution to impose water restrictions. The City of St. Anthony is implementing short term water conservation measures to limit the amount of water that is drawn from the aquifer due to the discovery of the chemical Dioxane. With the increased demand of water in the summer months, staff is recommending water restrictions to conserve water and potentially slow down the movement of Dioxane.

Water restrictions will include:

- No watering between 11:00 am through 6:00 pm
- Odd addresses allowed on odd dates
- Even addresses allowed on even dates
- Closing of both splash pads

The water restrictions will be in effect until further notice. We recommend checking the City's website for more information.

**CITY OF ST. ANTHONY VILLAGE
STATE OF MINNESOTA**

RESOLUTION 16-038

A RESOLUTION IMPOSING WATER RESTRICTIONS

WHEREAS, beginning April 1, 2016, the City of St. Anthony City is implementing short term water conservation measures to limit the amount of water that is drawn from the aquifer due to the discovery of the chemical dioxane; and

WHEREAS, the City of St. Anthony will close the splash pads located at both Central and Emerald parks until further notice; and

WHEREAS, the City of St. Anthony will implement an odd/even lawn watering ban, allowing residents with addresses ending in an even number to water their lawns on even numbered dates, and residents with addresses ending in an odd number to water their lawns on odd numbered dates; and

WHEREAS, the City of St. Anthony will implement a no watering ban between 11:00 a.m. and 6:00 p.m.

BE IT RESOLVED THAT the City of St. Anthony hereby imposes said water restrictions beginning April 1, 2016 until further notice.

Adopted this 12th day April, 2016.

Jerome O. Faust, Mayor
