

Our mission is to promote a high quality of life to those we serve through outstanding city services.

City Hall: 3301 Silver Lake Rd. | 612-782-3301 | savmn.com

Incorporated in 1945, the City of Saint Anthony Village is just minutes from both downtowns (Minneapolis and St. Paul) with easy access to major freeways in and around the city.

The City is a recipient of the League of Minnesota Cities “City of Excellence Award” and is proud to be a GreenStep City Level 5 (a voluntary program through the Minnesota Pollution Control Agency).

CITY SERVICES AND DEPARTMENTS:

The St. Anthony Fire Department: 3505 Silver Lake Rd. | 612-782-3400

SAFD has a 2 minute 35 second response rate, minimizing the loss of life, property, and environmental damage.

The 24-hour Fire and Rescue Team is staffed with full and paid-on-call professionals. Additional duties include code inspections/enforcement, fire prevention/public education and emergency management. *For all emergencies call 911.*

The St. Anthony Police Department: 3301 Silver Lake Rd. | 612-782-3350

SAPD strives for safety through service, emphasizing crime prevention, problem solutions, safety measures for youth, community relationship-building, and increasing the quality of life for all Villagers. The 24-hour police protection also serves the City of Lauderdale. Duties include routine patrol, crime suppression, investigations, crime prevention/public education. The department offices at the east end of the City Hall/Community. *For all emergencies call 911.*

The Public Works Department: 3801 Chandler Dr. | 612-782-3301

goal is to deliver superior construction, operation and maintenance of the city’s infrastructure. From quality roads to clean water, the department strives for efficiency, effectiveness and sustainability. Public Works keeps our roads clear, our water running, our trees growing, our city-owned vehicles operating and our buildings in top repair. For water or sewer emergencies call main line during regular business hours and 612-782-3400 after hours.

Administration: City Hall, 3301 Silver Lake Rd. | 612-782-3301

Saint Anthony Village is a Statutory B city with a 5-member City Council responsible for policy and legislative activity. The Council delegates administrative duties to the City Manager, including planning, human resources, elections, refuse/recycling, licensing, and economic development.

Finance: This department administers the city’s finance activities, including coordination and planning of financial information, utility billing, accounts payable/receivable, permits, inspections, payroll, insurance, grant administration, and the annual budget.

Wine & Spirits: 2700 Hwy 88, 612-782-3451 | 2602 39th Ave. NE, 612-782-3452

The City owns and operates two off-sale liquor stores; these stores fund large equipment purchases and reduce the tax burden on our local taxpayers.

Permits and licenses are required for a variety of updates and remodeling. Call 612-782-3301 for questions regarding permits, licenses, garbage and water services, and other information. [LINK TO ONLINE PERMIT APPLICATION PORTAL](#)

Website: The city’s website, savmn.com, provides detailed information about the City and its services, as well as city codes, policies, history, events, and interesting facts about the City. The [How Do I](#) resource section has quick links to info about City services, permits, licenses, utilities, meetings, and more. **Notifications:** Residents are invited to sign up for email/text notifications on various topics including road construction and street projects, city council meetings, city info, police alerts, snow removal, news and updates.
