Public Informational Meeting
City of St. Anthony, MN
WSB Project No. 10507-000

Dear Resident/Owner:

The City of St. Anthony invites you to attend a public informational meeting to discuss the proposed 2018 Street and Utility Improvement Project. This meeting will be held at St. Anthony City Hall on Wednesday, September 13, 2017, at 7:00 p.m., in the Council Chambers.

It is anticipated that construction will commence on the project in late-April or early-May 2018. Prior to beginning construction, the City would like to provide residents and business owners an opportunity to ask questions regarding the construction as well as the proposed assessments.

The formal notice for the property assessments and the public hearing will be sent to you under a separate letter. We will be happy to answer any of your questions regarding this year's proposed street reconstruction project on September 13, 2017.

If you are unable to attend but have any questions, please call me at 763-287-7182.

Sincerely,

WSB & Associates, Inc.
