

# 2016 Street and Utility Improvement Project

## Stinson Boulevard

### Project Schedule Update

The Contractor is returning to finalize the construction of Stinson Boulevard.

The Contractor's schedule is as follows:

#### Friday, September 29

- Milling of pavement approach to the railroad tracks.

#### October 2—October 6

- The Contractor will be rehabilitating and reconstructing storm manholes near the railroad tracks.
- The Sub-Contractor will be paving once all preparation work is complete.

#### October 9—October 13

- Pavement markings and lane striping will be placed.

### Changes to Construction Schedule

Please be aware the construction schedule may change throughout the project as a result of weather conditions or other activities beyond the contractor's control. For any changes in the schedule, please visit the 2016 Street & Utility Improvement Project webpage located under "Projects" on the City of St. Anthony's website at <http://www.savmn.com/>

### Safety Tips

- Be cautious when crossing the hot pavement.
- When driving on the road please keep a safe distance from trucks, equipment, and workers.
- Do not park vehicles on roadway while construction operations are taking place.
